DESCRIPTION

This 2014 Audi Q7 TDI V6 S line Sport Edition presents an exceptional ownership proposition, having been meticulously maintained by a single owner from new and boasting a remarkably low mileage of just 79,000 miles for its age. This impressive four wheel drive SUV features a powerful 3.0 litre diesel engine and offers comfortable seating for seven occupants. Its S line Sport Edition trim level enhances its appeal, while the inclusion of features such as front electric seats with memory, a panoramic glass sunroof, and a BOSE surround sound system elevate the driving experience. Bi-Xenon Plus headlights provide excellent visibility, and the Comfort Package ensures a refined journey.

The performance of this Q7 is equally noteworthy, with an acceleration of 0-62mph achieved in a swift 7.8 seconds, demonstrating its dynamic capability. Furthermore, its low insurance group rating indicates that running costs are kept competitive. With a substantial towing weight of 3200 kg, this Audi Q7 is not only a luxurious and spacious family vehicle but also a highly capable and versatile option for those needing to tow.
