DESCRIPTION

The 2014 Audi Q7 TDI V6 S line Style Edition is a capable and spacious SUV designed to accommodate seven passengers comfortably. This model is powered by a 3.0 litre diesel engine paired with a four wheel drive system, providing a balanced driving experience. With a towing capacity of 3200 kg, it offers practical utility for those needing to haul heavier loads. The vehicle is engineered to perform, achieving a 0 to 62 mph acceleration time of 7.8 seconds, ensuring it remains responsive on the road.

This S line Style Edition is equipped with several features that enhance comfort and convenience for all occupants. The interior includes heated front seats and dual zone electronic climate control, allowing for a personalised cabin environment regardless of the weather. Passengers can enjoy an airy feel thanks to the panoramic glass sunroof, which includes an opening section. Technology is well integrated, featuring mobile telephone preparation with Audi Connect and Bluetooth connectivity. Parking is made simpler with the inclusion of front parking sensors, and the vehicle benefits from a low insurance group, making it a practical choice compared to other large SUVs in its class.
