DESCRIPTION

With only 78,000 miles on the clock, this 2013 Audi Q7 TDI V6 S line presents an exceptional example of this versatile seven seater. Finished in a striking black with the S line trim, this four wheel drive model boasts a powerful 3.0 litre diesel engine and has had just two owners from new. It comes equipped with a desirable Black Styling Package, a panoramic glass sunroof that opens for an airy cabin experience, and privacy glass for added discretion. The impressive 21 inch alloy wheels in a 5 segment spoke design complement its commanding presence.

This Audi Q7 offers a compelling blend of performance and practicality, indicated by its swift 0-62mph acceleration in just 7.8 seconds, a highlight that sets it apart from many similar vehicles. Further enhancing your journeys is the premium BOSE Surround Sound System, ensuring an immersive audio experience. For those needing to transport goods or equipment, the generous boot space provides ample room. Furthermore, its towing weight of 3200 kg makes it a capable companion for caravans or trailers, and its low insurance group rating offers an additional benefit over comparable models.
