Emissions	Euro 6
ULEZ	Compliant

DESCRIPTION

This 2017 BMW 5 Series 530d M Sport presents an exceptional ownership proposition with its remarkably low mileage of just 68,000 miles for its age and a clear vehicle history. This four wheel drive model boasts a powerful 3.0 litre diesel engine, meeting Euro 6 emission standards, and is presented in the desirable M Sport trim. It benefits from the Comfort Package, which includes keyless entry, rear parking camera, and memory seats, alongside BMW Icon Adaptive LED Headlights and a Visibility Pack. The striking 20 inch BMW Individual Light V-Spoke Bi-Colour alloy wheels complement the sophisticated Fine-Wood Trim Fineline Cove with Pearl Chrome interior detailing.

This BMW 5 Series offers a compelling blend of performance and practicality, indicated by its impressive acceleration from 0 to 62mph in just 5.4 seconds, demonstrating its capability compared to other vehicles in its class. Furthermore, its classification within a low insurance group suggests more affordable running costs. The generous boot space provides ample room for luggage or shopping, making it a versatile choice for everyday use and longer journeys.
