DESCRIPTION

This 2015 Ford Focus ST-3 is a rare find, having been owned by just one person from new and boasting exceptionally low mileage for its year at only 61,000 miles. Under the bonnet, you'll find a powerful 2.0 litre petrol engine, compliant with Euro 6 emissions standards. This ST-3 model comes equipped with a host of desirable features, including automatic Bi-Xenon headlights that illuminate the road ahead, a Bluetooth hands free system for seamless connectivity, rear parking sensors to assist with manoeuvring, and the convenience of a KeyFree system for keyless entry and starting.

The performance of this Ford Focus ST-3 is truly impressive, with a rapid 0-62mph acceleration time of just 6.5 seconds, demonstrating its sporty capabilities. This quick acceleration, combined with its large boot space, indicates that this vehicle offers a superior blend of exhilarating driving dynamics and practical everyday usability compared to many other cars in its class.
