DESCRIPTION

This 2017 Ford Focus ST-3 offers a practical balance of performance and usability, having covered just 53,000 miles since it was first registered. This petrol model features a 2.0L engine that meets Euro 6 emission standards, making it a compliant choice for modern driving requirements. Inside, the cabin is equipped with heated Recaro sports seats and dual-zone electronic automatic temperature control to ensure comfort for all passengers. The vehicle also includes the Ford KeyFree system for convenient entry, alongside automatic headlights and bi-xenon headlights with adaptive lighting to improve visibility in various conditions.

The performance capabilities of this Focus set it apart, as it is capable of accelerating from 0 to 62mph in 6.5 seconds. This level of responsiveness provides a dynamic driving experience that is often sought after in this class of vehicle. By combining this acceleration with the comfort-focused interior features and the convenience of modern lighting technology, this ST-3 variant provides a well-rounded package for those who appreciate a more engaging drive without compromising on everyday functionality.
