DESCRIPTION

This 2021 Land Rover Defender 110 P525 V8 Carpathian Edition offers exceptional performance and luxury. As a Euro 6 compliant model, it features a powerful 5.0L Petrol Engine paired with a Four Wheel Drive drivetrain, ensuring capability in all conditions. The Carpathian Edition trim is distinguished by its 22in Satin Dark Grey Alloy Wheels, while the interior boasts 14 Way Heated and Cooled Electric Memory Front Seats for ultimate comfort. Connectivity is seamless with Apple CarPlay, and the Meridian Surround Sound System provides an immersive audio experience. For practicality, it includes Advanced Tow Assist and a substantial towing weight of 3500 kg, complemented by a large boot space.

The V8 engine delivers exhilarating acceleration, reaching 0-60mph in a swift 5.1 seconds, a performance benchmark that sets it apart from many other vehicles in its class. This impressive speed, combined with the sophisticated features like the memory seats and premium sound system, demonstrates a higher level of refinement and driver engagement. The inclusion of features such as the towbar and advanced towing aids further enhances its versatility, making it a superior choice for those who require both power and practicality.
