DESCRIPTION

This 2018 Land Rover Range Rover Sport is an Autobiography Dynamic model, powered by a 3.0L diesel engine. It features a four-wheel drive system and meets Euro 6 emission standards. With 64,000 miles on the clock, this vehicle has covered a low mileage for its age, offering a well-maintained option for those seeking a capable and refined SUV.

The vehicle is designed for comfort and performance, capable of accelerating from 0 to 60mph in 6.8 seconds while offering a substantial 3500 kg towing capacity. Inside, passengers benefit from four-zone climate control and a 1700W Meridian Signature sound system, while the driver enjoys 20-way massage memory front seats with winged headrests. Practicality is enhanced by a large boot space and front and rear parking aids, while visibility is supported by matrix LED headlights with signature daytime running lights. These features combine to provide a high level of convenience and capability that distinguishes this model from others in its class.
