DESCRIPTION

This 2020 Lexus IS 300h offers an exceptional blend of efficiency and refinement, boasting a 2.5 litre petrol hybrid engine that meets Euro 6 emissions standards. As a 2020 model, this IS 300h comes equipped with the comprehensive Lexus Safety System Plus, which includes adaptive cruise control for a more relaxed driving experience. Parking is made simpler with front and rear parking sensors, further enhanced by parking assistance features. Inside, you'll find the comfort of heated front seats and seamless Bluetooth connectivity for your mobile phone.

The Lexus IS 300h stands out with its intelligent hybrid technology, providing a smooth and responsive drive while also being mindful of running costs. Its inclusion in a low insurance group is a significant advantage, indicating that this vehicle is more economical to own and run compared to many others in its class. This combination of advanced safety features, comfort, and cost effectiveness makes the 2020 Lexus IS 300h a compelling choice for those seeking a premium and practical saloon. Oh
