DESCRIPTION

This 2019 Mercedes-Benz A Class A35 AMG Premium Plus is a high-performance hatchback that has been kept by only one owner from new. Under the bonnet, it features a 2.0-litre petrol engine paired with a four-wheel drive system, ensuring it meets Euro 6 emission standards. As an AMG variant, this vehicle combines the practicality of a hatchback with the engineering precision expected from the brand, offering a driving experience that balances power and control.

The performance of this model is notable, capable of accelerating from 0 to 62mph in 4.7 seconds, while the interior is equipped with the Premium Plus package to enhance comfort and convenience. This includes heated memory seats, an opening panoramic sunroof, and a branded sound system, alongside LED headlights and keyless entry. Parking is made straightforward with front and rear sensors, plus a reversing camera that provides a 180-degree view with parking guidelines. Safety and ease of driving are supported by the Driving Assistance Package, which includes adaptive cruise control and blind spot assistance. The exterior benefits from the AMG Night Package, and the cabin offers modern connectivity through a dual Bluetooth interface with two USB Type-C ports. Practicality is also a key strength, as the vehicle provides a large boot space for everyday requirements.
