DESCRIPTION

This 2016 Mercedes-Benz A Class A45 AMG Premium is a high-performance hatchback that combines precision engineering with everyday practicality. Under the bonnet, it features a powerful 2.0-litre petrol engine paired with a four-wheel drive system, ensuring consistent power delivery and stability on the road. As a Euro 6 emission class vehicle, it meets modern standards for efficiency. The AMG trim level provides a distinct aesthetic and performance focus, making this a well-rounded option for those seeking a capable and refined driving experience.

The vehicle is equipped with the AMG Aerodynamics Package, which enhances its profile, while the interior features the AMG Exclusive Package, complete with black and red leather upholstery featuring contrast stitching. Comfort is prioritised through the inclusion of Thermotronic two-zone automatic climate control, and connectivity is straightforward thanks to the integrated Bluetooth system. Parking is made easier with the rear sensor assistance, and the practical design offers a large boot space for your belongings. With the ability to accelerate from 0-62mph in just 4.2 seconds, this model offers a level of performance that sets it apart from many other hatchbacks in its class.
