DESCRIPTION

This 2015 Mercedes Benz A45 AMG boasts exceptionally low mileage for its age, having covered just 53,000 miles. This premium hatchback features a powerful 2.0L petrol engine paired with a four wheel drive system, ensuring dynamic performance. As a Euro 6 compliant vehicle, it meets modern emissions standards. The AMG trim level signifies its sporty credentials, and it comes equipped with desirable features such as Keyless Go for effortless entry and starting, a sophisticated Harman Kardon Logic 7 surround sound system for an immersive audio experience, and a rear camera to aid with parking. The striking 19in AMG Multi Spoke alloy wheels, finished in matt black, complement its aggressive styling, while the Pre Safe anticipatory safety system offers enhanced peace of mind.

The Mercedes Benz A45 AMG stands out with its remarkable acceleration, achieving 0-62mph in a mere 4.6 seconds, a testament to its performance capabilities. This rapid acceleration is a key indicator of its superior driving dynamics compared to many other vehicles in its class. Furthermore, the generous boot space provides practicality for everyday use and longer journeys, proving that performance does not compromise on utility.
