DESCRIPTION

With only 66,000 miles on the clock and having had just two owners, this 2017 Volkswagen Golf TDI GTD presents a compelling proposition. This Euro 6 compliant model boasts a powerful 2.0 litre diesel engine, delivering an impressive 0-60mph time of just 7.1 seconds. The GTD trim level ensures a well appointed interior, and this particular example comes equipped with a host of desirable features. These include front and rear parking sensors with parking assistance, a convenience pack with automatic headlights, and adaptive cruise control for effortless motorway journeys. Stay connected and entertained with Car-Net App Connect, offering seamless integration for both Android Auto and Apple CarPlay.

Further enhancing your driving experience, the Golf TDI GTD includes a winter pack with heated seats, perfect for those colder months. You'll also appreciate the generous boot space, making it ideal for everything from weekly shopping to weekend getaways. The combination of its low mileage, minimal ownership, and advanced features like adaptive cruise control and smartphone integration clearly sets this Volkswagen Golf apart from others you might find.
